-Heading to the 4th World Rosary-

“Pray the Rosary and make peace”

***On April 10th we began the preparation for the Total Consecration to Jesus through Mary.**

“Nicaragua has suffered a lot since the earthquake. It is threatened to suffer even more. It will continue to suffer if you do not change. Pray, my son, the Rosary throughout the world... Tell believers and non-believers that serious dangers lie in wait for the world. I ask the Lord to appease His justice; but if you do not change, you will shorten the coming of a third world war.”

These were the words that the Virgin Mary gave to Bernardo Martínez on May 8, 1980 in Cuapa, a small town in Chontales, east of Managua, the nation's capital. It is in this country -the only one in Central America where the Virgin has appeared- where the 4th World Rosary of Mater Fátima will take place on May 13 at the Metropolitan Cathedral of the Immaculate Conception of Mary.

To dispose hearts to live this World Rosary, in which we will consecrate ourselves to Jesus through Mary to give him personally, freely and only for love; our heart, our soul, our being, everything we love, everything we have and our good deeds past, present and future; **next April 10th** we will begin the 33-day preparation for the Total Consecration to Jesus through Mary (based on the Treatise on True Devotion of Saint Louis Mary Grignion de Montfort).

Seeking to be like Jesus Christ through Mary, Grignion de Montfort's method is the only one that, doing it with devotion, supernaturally "melts" our heart as if it were a malleable metal, and the Virgin Mary empties it into the mold of Her Immaculate. Heart, achieving in just 33 days, making an image similar to that of His Son Jesus.

Mater Fátima will facilitate, during the 33 days, the prayers and complementary talks, for those who wish to carry out the preparation in community, according to the following program:

It should be remembered that the preparation for the Consecration includes the recitation of the Holy Rosary, a devotion that Our Blessed Mother requested in her apparitions in Fátima, Portugal, and also in Cuapa, Nicaragua, where she told Bernardo: “Pray the rosary and make peace ... I want you to pray the Rosary every day. I don't want you to pray it only in the month of May. I want them to pray it permanently, as a family, from children who have the use of reason... to pray it at a fixed time when there are no longer any problems with household chores.”

Let us heed the messages of Our Mother who only wants to take us to Her Son.

**All for His greater glory and the Triumph of the Immaculate Heart of Mary.
