Week of Prayer and Fasting for Europe

“May you hear the voice of the Lord today. Do not harden your hearts» (Psalm 94)

For Europe to rediscover God and return to its Catholic roots, Mater Fátima launches a call to the faithful to participate in a week of prayer that God cannot resist, and through the Blessed Virgin Mary and Saint Joseph, grant us the thank you we ask.

Because where two or three are gathered in my name...

« The Lord had already invited His disciples to gather together to pray, promising to come and be in their midst to give strength to their requests: "Where two or three are gathered in my Name, there I am in their midst." If this it is true with respect to a meeting of just two or three, how much more so, if a large number of people gather to officially praise God? St. Thomas says that **the efficacy of prayer is then irresistible** : "*impossibile est preces multorum non exaudiri, si ex multis orationibus fiat quasi una*". Just as a father, who remains firm in the face of the pleas of only one of his children, is moved when he sees them all united in the same petition, so our heavenly Father cannot resist the sweet violence that the common prayer of large number of their children. » *P. Adolphe Tanqueray.*

This week of prayer will take place **from April 4 to 10** with the following intentions:

- In reparation for our sins and those of the whole world, especially those of Europe.
- May the Holy Spirit enlighten consciences so that the just sense of sin is recovered, the need for conversion, prayer and reparation is recognized; and that the signs of these times be identified.
- May the Immaculate Virgin Mary and Saint Joseph protect and intercede for Europe, so that Satan's plans to destroy it cannot be carried out, especially through Freemasonry and communism.
- May the true Peace that only God can give reign in hearts and nations.
- For the constant renewal of the Catholic Church in Europe, in love, holiness and unity.
- So that life, marriage and the family are respected as God created them, and the purity of children and young people is protected.
