-4th World Rosary-

## For hope in the world

Nicaragua will be the country from which the light of prayer and hope for the world will come during the 4th World Rosary that will be presided over by the Archbishop of Managua, E. Cardinal Leopoldo José Brenes Solórzano, on May 13th, from the Metropolitan Cathedral of the Immaculate Conception of Mary.

The main intention this year is to request for hope in the world, due to the great need that humanity has to live this great virtue; and also to transmit it above all to the new generations, regardless of the difficult times that are being experienced. We wish that hearts, by the grace of God, be full of hope, and that with the practice of this virtue we can strengthen families, make better countries and obtain the sanctification of the Church.

The venue for this 4th World Rosary has been providential, since it allows us to remember the apparitions of the Virgin in Cuapa, in which Our Blessed Mother has insisted on the same requests that she made to the three little shepherds in Fatima, in 1917: Pray the Holy Rosary for peace, as well as the devotion of the first five Saturdays of the month or Communion of Reparation.

The program is as follows:

11:00 a.m. (Nicaragua) Holy Mass

12:00 p.m. (Nicaragua) Holy Hour (Holy Rosary and Consecration)

Nicaragua is a very Marian country and has a special devotion to the Immaculate Conception of Mary, as they call the Immaculate Conception of Mary, to whom they consecrated themselves for the first time on November 28th, 1982, in such a way that prior to Her feast day, the people come out to express their faith shouting: "Who causes so much joy?"; and they answered: "The Conception of Mary!". This particular devotion is expressed with the songs of praise: "Listen oh Tender Mother" and "Sacred Queen of Heaven", which have more than 300 years of tradition and which will also accompany the Celebration of the Eucharist this May 13th.

The Holy Rosary will be meditated and prayed in Portuguese, French, Italian, Latin, Greek, Mandarin Chinese, Japanese, Hebrew, German and Misquito (Nicaragua's own Atlantic dialect), among other languages.

The Consecration formula is available in the 4th World Rosary Adoration Scheme at [www.materfatima.org](http://www.materfatima.org)
